Monthly Cashback Bonus

Each month you will be eligible for a bonus on your cashback rebates depending on the combined cashback total you have generated at all brokers.

\$500.00 - \$1,499.99 = 1% bonus

\$1,500.00 - \$2,499.99 = 2% bonus

\$2,500.00 - \$7,499.99 = 3% bonus

\$7,500.00 and up = 4% bonus

For example, if you earn \$500.00 in rebates at Pepperstone, \$1,000.00 at Forex.com/UK, \$750.00 at FXDD-Malta and \$500.00 at ThinkForex you would have a total rebate of \$2,750.00

You would receive a bonus of \$82.50 (\$2,750.00 x 3%).

In certain months throughout the year we will announce that it is a “**Special Month**”. In Special Months the bonus structure will change to this...

0 - \$499.99 = 1% bonus

\$500.00 - \$1,499.99 = 2% bonus

\$1,500.00 - \$2,499.99 = 4% bonus

\$2,500.00 - \$7,499.99 = 6% bonus

\$7,500.00 and up = 8% bonus

Please note that rebates for Fx Pro and Alpari NZ are not included in this calculation (since these contracts are in the name of Mr. Gavin and not The Aslan Group).

However, **all** clients will receive a bonus of 5% on their Fx Pro and Alpari NZ cashback regardless of the volume traded.

In “Special Months” the bonus for Fx Pro and Alpari NZ is doubled to 10%.

If you have any questions, please email Gavin at aslangroupforex@gmail.com
